Why should I advertise with MyCockpit?

We get this question often, however we always tell the people asking the question that they aren't asking the right question. Why shouldn't you advertise with MyCockpit? The correct answer is there is no answer. We have affordable rates and everyone that advertises with us is very pleased with the result. We target the Builders market, that's 100% target audience for your products. We are here to support the builder and hobbyist, so we maintain low rates just to keep our site operating.
